

Swamiji's teachings and the magnitude of this particular contribution will continue to reverberate across the globe, and across generations, transcending cultures and civilizations, to profoundly transform mankind for the better. He shall therefore, I believe, be better known as the Swami who changed the world.

OM TAT SAT

*Swami Svatananda Saraswati is a disciple of Pujya Swami Dayananda Saraswati since 2003, and completed an intense study of Vedanta in a traditional three-year course in 2007. Swami Svatananda has devoted his life to Vedic knowledge. He studied Vedic disciplines in India and the U.S. and traveled great distances in order to learn from the foremost experts in each of the following specialties. He counsels individually and lectures to groups worldwide on Hatha yoga, Meditation, Jyotisha (Vedic astrology), Ayurveda (Vedic medicine), Vaastu (Vedic architecture), Sanskrit language and Vedanta. Swami Svatananda's experiences of living and working in four different continents gives him an exceptional ability to connect with people from varied backgrounds during his lectures. His rare combination of innate skills, broad life experiences and dedicated study translates into a uniquely comprehensive approach to counseling, teaching and applying Vedic wisdom in modern times.*
