

Deepvali in Jaipur Chatralaya

With the Blessings of Pujya Swamiji, the Amavasya night on Friday, November 5, 2010, the desert of Rajasthan came alive with the illumination of the Jaipur Chhatralaya. The Chhatralayam was all lit up with oil lamps and the message of "SHUBHA DEEPAWALI" sent to all by illuminant words. The two-hour puja of Goddess Mahalakshmi with a prayer to bring in all auspiciousness and light was followed by a gentle and beautiful fire work display by the little boys full of joy!
