

One is in harmony with totality. Everything is a luxury for that person. If something happens alright, if it does not happen alright. That person will be doing whatever is to be done. We have seen this in Pujya Swamiji's life. He kept doing what was needed to be done for totality but if something did not happen, it did not affect him. That is the result of wisdom ... That wisdom is given in this gurukulam. With this vision Pujya Swamiji started this Arsha Vidya Gurukulam and we pray to Lord Dakshinamurti that may we continue this vision and may we get blessed by arsha vidya which will transform our life, from self non acceptance to self acceptance.
